ABOUT US

Tamilnadu Advanced Technical Training Institute is a Non-Profit organization under the scheme of RM Educational Trust with mission of training the underprivileged students. We will train the students with the necessary skill set, and workplace etiquette depending on the industry expectations. We provide corporate survival skills such as Good communication skills, Interviews, Onsite Deployment, Meetings and much more. Our course structure includes career counseling, employability skills, entrepreneurship skills, emotional intelligence, and mind-building skills. We also offer to impart skill training based on the Company standards. Our core vision is to support and enable great careers for every student. Moreover, our objective is to help the students to get 100% placement.

TATTI has taken a good initiative by offering a great platform for the students and candidates to get a good opportunity to know the companies requirements and showcase their skills. We have made a good effort by filling the gap between company demand and candidates skills through job fairs. We strongly rely on the responsibility of the educational institution to go beyond providing education to students to qualify them for their academics to the next level. We are committed to supporting the students in making the perfect beginning in their careers.

VISION

Our vision is to bridge a skill gap between industry and students.

MISSION

To develop and inculcate skills to students by providing various industry-oriented training at cost-effective with more valuable advantages by connecting them with industry professionals and assisting them for placement.

"TATTI has taken a good initiative by offering a great platform for the students and candidates to get a good opportunity to know the companies requirements and showcase their skills."

JOB FAIR VIDIYAL 2022

TATTI conducted a VIDIYAL 2022 JOB FAIR on 21st August 2022 at C.S.I St. Thomas Mat. Hr. Sec School, St. Thomas Mount, Chennai. We work as a connecting bridge between job seekers, and employers. We were also given open invitations through social media. Fifty companies attended the meeting and 3208 candidates attended the job fair. Nearly, 1450 candidates were selected for the job on our campus. 1700 candidates were shortlisted by several companies. TATTI has taken massive steps to get young aspirants stable job profiles in the leading companies, despite of covid-19 pandemic.
